Can a locker be placed at the end of the bed in the master bedroom

Overview

The locker or almirah should idyllically be placed in south side of the room, leaving south-east and south-west of the room. What materials are best for lockers in Vastu design?

Metal lockers are preferred over wooden. Why Master Bedroom Layout Matters?

Your bedroom layout shapes how restful, functional, and inviting your space feels. The southwest is the most suitable direction for the Master bedroom. Everything right from color, size and shape to direction and placement of the room should be correct; else the outflow of money would be greater than the inflow.
