Castries new solar panel manufacturer

Overview

--- Castries Photovoltaic specializes in high-efficiency solar solutions for global markets, combining 12 years of manufacturing expertise with cutting-edge solar technology. Our vertically integrated production ensures quality control from silicon ingots to final assembly. -owned cell manufacturer based in South Carolina, secured its first contract with top-tier solar module maker. The Shanghai JINSUN New Energy Technology Co. has registered capital of USD20 million, with first phase investment of USD55 million. Founded in Ningbo Boway Alloy Material, a China-based technology company involved in the alloy, semiconductor and machinery industries, acquired Boviet Solar in 2016. This location benefits from consistent sunlight throughout the year, with seasons characterized more by wet and dry periods than temperature fluctuations.
