

**KREATYWNY ENERGY POLSKA**

# **Corrosion-resistant server racks for chemical plants**

## Overview

---

At DENIOS, our racking systems are engineered for secure and compliant racking storage of drums, IBCs, and hazardous chemicals. Whether you need high-capacity shelving or racking and storage for small containers, we offer reliable solutions that meet environmental regulations and. Nemaco™ provides high-quality, durable server rack cabinets designed with water-resistant construction to protect sensitive electrical equipment and communication networks in demanding environments. NEMA 4X rating enclosures are designed to protect from solid objects such as falling. Nemaco Technology designs, manufactures and sells standard and custom 19 inch RackMount Enclosure & Cabinet products in the following NEMA 4 and 4X ratings for industrial computer servers. Protects sensitive electronic equipment from harsh conditions that would overwhelm a typical rack enclosure. SmartRack 24U Standard-Depth. IP (Ingress Protection) ratings use a simple two-digit system that tells you exactly what your cabinet can handle. The first digit, for instance, measures protection against solid particles like dust (ranging from 0-6).

## Corrosion-resistant server racks for chemical plants

### Racking and Shelving for Hazardous Materials , Denios

At DENIOS, our racking systems are engineered for secure and compliant racking storage of drums, IBCs, and hazardous chemicals. Whether you need high-capacity shelving or racking and storage for ...

### Ex Atex 19" Rack

For use in indoor and outdoor corrosive environments that require a water-tight seal, this enclosure's seamless foam-in-place gasket and screw-down clamps provide a secure seal against contaminants.
