

KREATYWNY ENERGY POLSKA

Energy savings hub doe

Overview

DOE launched the Energy Savings Hub for homeowners, renters, and vehicle drivers to directly access information about clean energy and energy efficiency tax credits, rebates, incentives, and other cost-saving options. Through the Home Energy Rebates, you may be eligible for cash back on appliances and other home improvements that can lower your energy bills. Your state, territory, or Tribe manages rebates for energy. DOE offers tax credits and rebates on home energy efficiency upgrades. This Hub was created to help people “take control” of their energy consumption to.
