

KREATYWNY ENERGY POLSKA

Glass and solars merge

Overview

In a boost for clean energy and U. jobs, solar company T1 Energy and glassmaker Corning have struck a deal to build a fully American-made solar supply chain, from raw materials to finished panels, reported Reuters. This time, we have picked a unique company - Borosil Renewables, the world's leading solar glass manufacturing company and a part of the six decade-old Borosil group — as the Fortune Scrip for this fortnight. In India, the company is an undisputed market leader in its field, enjoying a 40 per cent. Please join us as we celebrate the merger of these two awesome businesses. This event is complimentary and open to everyone, however your RSVP will help us plan accordingly.
