102.4kWh

Nominal voltage(Vdc)

512V

Outdoor All-in-one ESS cabinet

GoodWe Low Voltage Energy Storage Solutions Enable Residential

Featuring the company's market-proven ES series inverters, ranging from 3kW to 12kW, and battery systems starting at 5kWh and expandable up to 150kWh, these low-voltage solutions ...

EcoSmart Home

GoodWe EcoSmart Home offers a suite of solar and energy storage solutions for households, enabling management of energy generation, storage, and usage.

- ✓ TELECOM CABINET
- ✓ BRAND NEW ORIGINAL
- ✓ HIGH-EFFICIENCY

 LFP 280Ah C&I

GoodWe optimizes EcoSmart Home for various U.S. market conditions

In this "solar + storage" system, the battery stores self-generated energy during off-peak periods and discharge it when the electricity prices peak, minimizing surplus energy export to the grid.

GoodWe Launches New ESA Series Residential All-in-One Storage ...

Available in 3-10 kW power ratings and stackable with up to six batteries for a total of 48 kWh, the system can be tailored to different household needs--from powering essential appliances ...

GoodWe Storage , Efficiency & innovative battery systems

Discover the highly efficient GoodWe storage systems. Compare innovative

battery systems that maximize self-consumption and ensure your energy self-sufficiency. Find offers now!

Solar Inverters

This page highlights GoodWe's extensive lineup of solar energy solutions, featuring residential and commercial grid-tied inverters, utility-scale systems, energy storage options, batteries, EV chargers, ...

EcoSmart Home , GoodWe US

EcoSmart Home enables whole-home backup. This robust solution ensures uninterrupted power during grid outages, swiftly switching to a backup source to keep essential appliances running. It offers ...

GoodWe high-voltage batteries , Large selection & top prices

Discover GoodWe high-voltage batteries for your energy system. Find the best offers for the powerful and modular storage systems from GoodWe. Compare
