Get Quotes sends your requirements to expert suppliers in Australia so you get personalised quotes to compare Circuit Breaker prices, specifications, features and terms then choose the one that's right for you. Also compare servicing. Sort by: Relevance sorting uses multiple data inputs which may influence the ordering of the products shown to you. This includes signals such as product popularity, performance and seller performance. We stock a large selection of RCBO, RCD, GFCI, AFDD Circuit Breakers, including new and most popular products from the world's top manufacturers including: Schneider Electric, ABB, Siemens, Eaton Moeller & Broyce. Also known as electric breakers, these automatic electrical safety devices protect circuits from damage caused by excess current, often resulting from an overload or short circuit. When a fault is detected, they interrupt the flow of electricity, acting like a switch that automatically 'trips' off. NHP MOD6 RCCBs and miniature circuit breakers in exc. condition I have a number of breakers and RCCB's available. They are all in perfect working order - I've standardised on a different brand.
