

**KREATYWNY ENERGY POLSKA**

**Have photovoltaic panel prices  
dropped now**

## Overview

---

The latest Solar & Storage Marketplace Report by EnergySage indicates that the median price for solar-only systems fell to \$2.65 per watt in the latter half of 2024, down from \$2. This marks a historic low in pricing within the industry. New report reveals the cost of solar panels has dropped by 30% — here's how to take advantage while government incentives still exist
