

How long can the locker store

Overview

In general, most items can be stored in a storage unit indefinitely, provided they are properly packed and the storage conditions are appropriate. Luckily, Amazon provides locker users with ample time to retrieve items after delivery. If you're short on time, here's a quick answer to your question: Amazon generally allows packages to stay in their lockers for 3 business days (not counting weekends and holidays). Let's break down everything you need to know about storage timelines during your move.
