

How many lockers can be placed in Dawn Awakening

Overview

There are currently four types of storage containers in Dune Awakening: While you can't literally stack these containers on top of each other by default, the right use of walls, foundations, and rooftop pieces allows you to create vertical shelving that mimics real stacking. Then having a limit on how many storage containers you can build/have is in my eyes ridiculous I think the limits exist for database and performance reasons, which is especially important given how crowded the servers are due to Dune: Awakening's overwhelming and growing popularity. However, there are a number of different storage options in Dune Awakening, some mobile, some not. The most common and. Site is updated to 1.
