How much does a 40-foot collapsible shipping container cost

Overview

While a 20 ft container typically rents for \$120–\$140 per month, most 40 ft containers rent for just \$140–\$199 per month (as of August 2025). That means you can double your storage space for less than 50% more cost. With over 320 square feet of floor space, it's big enough to hold the contents of a small warehouse, a contractor's entire staging area, or the seasonal inventory for a retail business. Our 40-foot shipping containers are tough, sturdy, wind and watertight, and designed to keep contents safe and dry. Their size and availability make them the most cost-effective size, offering the lowest cost per square foot. For a brief understanding, here are some key points that impact pricing: Condition: Used containers will typically cost less, but may have wear or damage. Tractor trailers that.
