# **Is it possible to install solar panels to generate electricity for free**

## Overview

---

The federal government does not provide free solar panels, but many states and utilities offer incentives that can reduce the cost of going solar. You can install solar panels on your roof with no upfront cost by signing a lease or PPA or taking out a \$0-down loan. Each financing option has. Companies that offer “free” solar panels are typically offering solar lease agreements, so you can reap the benefits of solar-powered electricity without dealing with the upkeep and maintenance of the panels. Join over 8,000 people who received a free, no obligation quote in the last 30 days. The ITC — also known as the Federal Solar Tax Credit — is a popular tax rebate program offered by the US Federal. There's no such thing as free solar panels.
