

**KREATYWNY ENERGY POLSKA**

# **Jerusalem generator container manufacturer**

## Overview

---

We have extensive manufacturing experience covering services such as battery enclosures, grid energy storage systems, server cabinets and other sheet metal enclosure OEM services. Identify and compare relevant B2B manufacturers, suppliers and retailers Max. GenRent is a prominent global provider of temporary power solutions, offering a variety of generators including diesel and gas gensets, as well as gas turbines. Leveraging the expertise acquired during several decades with more than 3,000 containerized units delivered, our genset containers offer optimal performance in various site conditions. As a trusted generator enclosure manufacturer, we specialize in delivering high-quality, innovative solutions for housing and protecting generator equipment, including switchgear. At the beginning of the Tier 4 transition, our engineering team had the opportunity to work with different customers in different markets to design and develop a line of high-power Tier 4 Final containerized generators.
