Loading and unloading of solar photovoltaic panels

Overview

This manual provides comprehensive guidelines for the safe and efficient Unloading and storage of solar photovoltaic (PV) modules manufactured and supplied by JAKSON Engineers Limited. In the process of loading and unloading, the forklift. If your modules are damaged on arrival, notify the driver immediately, notify carrier and LONGi staff within 24 hours of delivery, and provide a record with detailed information within 48 hours of delivery. See claims and warranties for full details. Always insert the fork from the short side of. Thank you for choosing Citizen Solar PV modules. Before installation or using the Citizen Solar PV modules, it is must and important to read. This manual is for DMEGC solar PV module unloading instructions. You can find this and other related contents on Jinko's official web- site: www.

Loading and unloading of solar photovoltaic panels

PV Module Unpacking, Handling and Storing Guide

This guide serves as a reference for inspecting, transporting, unpacking, handling and storing LONGi PV solar modules to ensure safe practices for you and the modules.

Unloading & Unpacking Manual-20230106

To ensure the safety of unloading of PV modules, please read this manual carefully. In the process of unloading, the forklift should be selected reasonably according to the size and weight of the goods.

Solar PV Module Handling, Storage, Installation

Thank you for choosing Citizen Solar PV modules. This manual contains information regarding handling, storage, installation, operation, maintenance and safety handling of Citizen Solar photovoltaic modules.

Offloading SWP

This document provides a safe work procedure for offloading, loading, and dispatching solar PV panels with a telehandler. It outlines responsibilities and definitions.

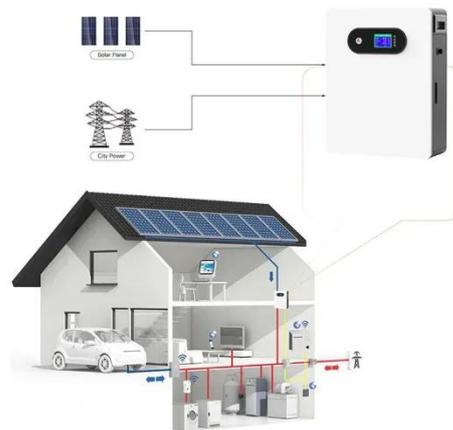

230525 Handling Storage and Unpacking Instructions guide v3

To ensure safety when loading, unloading, unpacking and storing PV modules, please read this manual carefully. You can find this and other related contents on Jinko's official website: ...

Photovoltaic panel loading and unloading method diagram

Mechanical and electrical installation of photovoltaic modules should refer to the corresponding regulations, including electrical law, construction law and electrical connection requirements.

Unloading & Unpacking of Solar Modules

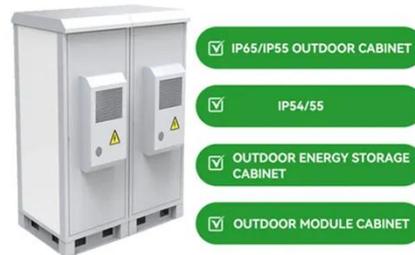

Please read the following safety instructions carefully before unloading and unpacking your solar modules. It is

crucial to follow the outlined measures and guidelines for the safe unloading and ...

Unloading Handling & Storage Manual

This manual provides comprehensive guidelines for the safe and efficient Unloading and storage of solar photovoltaic (PV) modules manufactured and supplied by JAKSON Engineers Limited.

UNLOAD/TRANSPORTATION/STORAGE OF SOLAR PANELS

Unpack the modules as per the recommended unpacking procedures. The whole process of unpacking, transport and storing should be handled with care. (3)Before installation, ...

Packaging Datasheet1

To ensure the safety of loading, unloading, unpacking. and storage of PV modules, please read this manual carefully. When you need to unpack and

install the modules, you can search and download ...
