## Overview

---

AutomationDirect offers quality data communication racks and accessories from Hammond Manufacturing, Wiegmann, and Saginaw, three top enclosure manufacturers in North America. Data communication racks provide a housing to mount data communication equipment and devices used in. Made from welded steel or aluminum, and coming in many stocked sizes and styles, our selection of equipment racks and cabinets will help protect and simplify the integration of your project. Designed for maximum airflow and easy installation, our racks and cabinets help your equipment run reliably. ICEcube delivers industry-leading NEMA Cabinets and Racks designed to safeguard critical rack-mount equipment and batteries. Choose from a variety of sizes and.
