

KREATYWNY ENERGY POLSKA

New zealand auckland energy storage cabinet customization company

Overview

Based in Auckland, our team of cabinet makers, joiners and cabinet fitters are at the top of their game, and have been designing and creating custom made cabinets for clients all around New Zealand for many years now. 100% Kiwi owned, Taspac was founded in 2014 with a very simple goal - to provide best-in-class renewable energy solutions to New Zealand solar installers and electricians, backed up with a high level of local sales, technical and warranty support. Taspac Energy exists primarily to support the Solar. At S. P, we offer a comprehensive range of stainless steel cabinets, available in a variety of standard sizes or custom-built to meet your exact specifications. Whether you require a compact enclosure or a complex system integration, our in-house design and fabrication team can deliver a solution. With scalable solar energy storage systems that cut costs, boost resilience, and gives farms and businesses full control over your energy use. Our. Machan offers comprehensive solutions for the manufacture of energy storage enclosures.
