Overview

A 6-foot shipping container that produces electricity and purifies water. Our job is to help get you water, not sell you something that isn't a good fit for you or your well. It's why thousands of American farms & ranches trust RPS. Rather a Friendly Voice?

Our famous support team is here to help. It's a QUICK 10 minute phone call! COMPLETE SET UP! RPS supplies the. OffGridBox is a project design and engineering company that provides renewable energy and clean water to remote communities around the world, with a focus on Energy for Health. If playback doesn't begin shortly, try restarting your device. They have explored and implemented solar options for a wide variety of applications and we have found their solar options for shipping containers to be the best in the business. Unlike standard solar panel containers, LZY's mobile unit features a retractable solar panel. Our cutting-edge mobile solar systems deliver unparalleled energy efficiency and adaptive flexibility, engineered to meet dynamic power demands across any environment. With scalable solar capacity of 30-200kW and battery storage options from 50-500KWh, Solarfold™ provides reliable power wherever.
