## Overview

---

If you've received an offer for "free solar panels," it could be a scam. Always look for businesses you can trust - like Accredited Businesses using the BBB Seal. Someone contacts you through email, phone, social media, or even in person pretending to be a solar company. Scams, schemes and straight-up fraud abound in the dark underbelly of an otherwise light-filled industry. Here are red flags to look out for when. Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you?

Or say you'll never have to pay another electricity bill because government programs, grants, or rebates cover your solar installation?

It's likely a scam. To avoid getting scammed, you need to know what to look out for and when to walk away.
