

**KREATYWNY ENERGY POLSKA**

# **Photovoltaic support project manager**

## Overview

---

Solar Project Managers are responsible for the planning, execution, and closing of solar energy projects. They work closely with engineers, construction teams, and clients to ensure that projects are completed on time, within budget, and to the highest quality standards. This includes managing budgets, schedules, and resources, as well as coordinating with a variety of stakeholders, such as engineers, contractors, and regulatory.
