

KREATYWNY ENERGY POLSKA

Reference of renewable energy

The image shows a house with solar panels on the roof. In the foreground, there is a large battery storage system consisting of several stacked units on a metal frame. To the right of the battery units, there are four circular icons with text descriptions:

-  **easy to install and use**
-  **World wide Products**
-  **faster charging and discharging**
-  **Multiple protection with alarm systems**

Can save energy

the battery capacity can be increased freely and flexibly according to the situation of home use.

Rechargeable lithium batteries use safe LiFePO4
