Resort uses Malabo folding containers for communication

Overview

Movable hotel container modules are prefabricated accommodations constructed from shipping containers that can be relocated, repurposed, and reconfigured with relative ease. From luxury resorts to temporary rental units, here's how these innovative structures are changing the way we live and travel. This makes them great for eco-resorts, glamping sites, emergency shelters, and tourist spots that are far away. This revolutionary approach caters to the increasing demand for unique hospitality experiences while also addressing modern. Malabo Resort Lake Turkana is located in Loiyangalani, Lake Turkana, and is beautifully sandwiched between doum palms; an oasis of refreshment in the dry and windy countryside. There are 16 bungalow-style.
