

Soltec photovoltaic bracket

Soltec photovoltaic bracket

Soltec, specialists in solar trackers and photovoltaic solutions

After more than 20 years in the photovoltaic sector, Soltec designs and manufactures solar tracking technologies tailored to each project.

Soltec, specialists in solar trackers and photovoltaic solutions

At Soltec we create integrated solar tracking and photovoltaic solutions for sustainable energy production. Contact us!

Soltec-Solar-Catalogue-2023-11_1

Innovative design for maximum rigidity, longevity, and versatility under heavy loads. Most popular model FV1 has 3 types to suit various load capacity needs. Cross-system compatibility and of roof ...

Leading solar tracking technology in the Americas , Soltec

Explore the advanced range of Soltec solar trackers, including the SFOne US, SF7 US and SFOneX models. Designed to increase optimal performance for your US solar projects, our smart trackers ...

SF7, the Soltec two-in-portrait solar tracker

Discover why the SF7 is the ideal solar tracker for large-scale projects. One of the most robust and safe trackers on the market thanks to its design for longer 72 and 78 cell modules. It is ...

Solar , Mounting Pyranometers to Soltec SF7

These instructions explain how to mount pyranometers to a Soltec SF7 Single-Axis Tracker in the global plane-of-array (GPOA) and the reflected plane-of-array (RPOA) orientations.

Solar Mounting System

Soltec mounting systems use identical components for upright and transverse assembly. A specially curated assortment of solutions for clay tiles or trapezoidal roofs.

Mounting Solutions , Soltec Solar d.o.o.

The Soltec mounting system stands out for its exceptional stability and robustness when compared to other options in the market. It offers the flexibility of height adjustment based on the type of roofing ...

 **TAX FREE**

   

Product Model
HJ-ESS-215A(100KW/215KWh)
HJ-ESS-115A(50KW 115KWh)

Dimensions
1600*1280*2200mm
1600*1200*2000mm

Rated Battery Capacity
215KWH/115KWH

Battery Cooling Method
Air Cooled/Liquid Cooled

ENERGY STORAGE SYSTEM

Solar Panel PV Mounting Systems and Hardware

This category features our selection of ready-to-use photovoltaic pv solar panel mounting systems including roof tilt mount, ground mount, pole mount, and Unirac systems.

INNOVATIVE SOLTEC MOUNTING SYSTEMS FOR SOLAR ...

Introducing the FV7 mounting solution for flat roofs, designed for seamless photovoltaic module installation. With its

aerodynamic design, this system offers exceptional structural integrity while ...
