

# Technical parameters of 500kW folding container for catering industry

## Overview

---

Power Conversion System:1 set 500KW PCS(includes STS,isolation transformer);Container:5 set 5KW air conditioner, Fire fighting system, Explosion-proof fan, Pressure relief valve, Distribution box,Lighting; High quality LFP batteries for mobile use. o cater for up to 500 people a day. The system is especially suitable for large-scale deployment even in extreme climatic conditions, when hundreds of personnel need to r the catering of up to 800 people. During transport all system components are safely stored in the 20' container, so the system. Our KCC 500 mobile Kitchen Catering Container is the basic system behind our modular, highly flexible container system, and comes with a multitude of equipment options to suit different needs and requirements. The basic system comprises of two linked containers, which provide ample work surface for. PCS can be accurate and efficient implementation of various cell types, voltage level and power level of the battery charging task, bidirectional power flow, which can charge the battery energy storage battery, can also convert the DC power into AC power to feed into the grid. BESS related products are useful for a wide range of applications which covers commercial &. Bulgarian, Croatian, Czech, Danish, Dutch, English, Estonian, Finnish, French, German, Greek, Hungarian, Irish, Italian, Latvian, Lithuanian, Maltese, Polish, Portuguese, Romanian, Slovak, Slovenian, Spanish, Swedish The KCC 500 can be equipped to suit specific customer needs and can be used to. configured for standard 60 Hz, 208V and 480V output. Special voltage outputs are available (special order).

## Technical parameters of 500kW folding container for catering indus

### 1MWh/500kW Container ESS

We provide customers with industry-leading Lithium iron phosphate battery and robust structural design. A dedicated pre-sales technical solution team will develop the most appropriate solution according to ...

### CubeArk-500kW-1000kWh

Container Energy Storage System  
CubeArk Series LiFePO battery module,  
stable discharge platform, good safety  
performance, long cycle life; Three-level  
battery management system, support ...

### KD500V\_Brochure\_Rev\_02

Prime Rating 500kW (625kVA) Standard  
Features Detroit Diesel Heavy Duty  
Diesel Engine 4-cycle design,  
turbocharged, aftercooled, direct  
injection Polymide blade cooling fan  
Engine coolant heater ...

### Kärcher Futuretech Kitchen Catering Container KCC 500

The KCC 500 can easily be extended by adding a tent or additional containers, for the catering of up to 800 people. During transport all system components are safely stored in the 20' container, so the ...

### **Kitchen Catering Container KCC 500**

The KCC 500 can be equipped to suit specific customer needs and can be used to cater for up to 500 people a day. The system is especially suitable for large-scale deployment even in extreme climatic ...

### **Our KCC 500 mobile Kitchen Catering**

500 mobile Kitchen Catering KCC 500  
Our KCC 500 mobile Kitchen Catering Container is the basic system behind our modular, highly flexible container system, and comes with a multitude of ...

### **500KWh Container Lithium ESS**

It has the functions of large capacity V/f source, parallel operation mode, on-line switching, short circuit support, high protection level, cabinet design and so

on, so as to ensure efficient, safe and stable ...

---

### **ES1075 BESS Container**

By setting individual operational strategies, you can combine a wide variety of applications and thus perfectly adapt the system to the needs of commerce and industry.

---

### **MOBILE CATERING**

Depending on the duration of use, the required cooking capacity, the area of use and many other aspects, it makes sense to integrate the individual modules into one system.

---

### **500kW/1.075MWh BESS 20ft Container Energy Storage System**

Container installation, high modularity, simple structure, easy installation and maintenance. All-in-one equipment, which can be fixed, vehicle-mounted,

and easy to move. Enables remote monitoring, ...
