# **Warranty for Folding Container High-Pressure Products**

## Overview

---

We understand the importance of safeguarding your investment and ensuring your peace of mind. That's why we provide extended warranty options, delivering comprehensive coverage beyond our standard 60-day warranty. Explore our two tiers of coverage below. At L&P Container LLC, we believe in the strength, durability, and reliability of every shipping container and product we deliver. Our warranty is designed to cover:

A: The device inside the container is called a Flame Mitigation Device (FMD), which is a necessary and legally required safety device for all portable fuel containers. It helps reduce the likelihood of "Flame Jetting," limiting the risk of flame propagation into the fuel container, which can cause. Cascade Container proudly guarantees that all WWT (Wind and Water Tight), CW (Cargo Worthy), and One Trip containers are free from leaks for a period of one year from the date of purchase. The malfunctioning or early degradation of the original manufacturer's parts or materials, caused by subpar craftsmanship or insufficient quality control, allows the manufacturer to choose between repairing or substituting the flawed component or material.
