

Warranty period for waterproof industrial cabinets used in chemical plants

Overview

These cabinets are built to store hazardous chemicals safely. They need to meet strict safety standards and are made of high - quality materials to prevent leaks and spills. Let's start by talking about the different types of safety cabinets. These cabinets are designed to protect workers, reduce fire risks, and improve productivity while meeting OSHA and NFPA. MasterBrand Cabinets LLC (“We” or “Us”) extends the following limited One Year Warranty (“Limited Warranty”) to the first Commercial Purchaser (“You” or “Your”) of a cabinet or vanity manufactured by Us (each, a “Product”). Containers that are cloudy, have illegible labels, or if there is noticeable buildup around. 5 years from the date of shipment.
