# **Where can I buy photovoltaic panels reliably**

## Overview

---

This comprehensive guide examines the best places to buy solar panels based on extensive testing of multiple purchasing channels, real-world shipping experiences, and analysis of pricing, quality, and customer service across different retailers. Local pickup saves significantly: Choosing retailers with local pickup options can save \$50-\$200 per order while eliminating the 20% shipping damage risk that affects freight deliveries of solar panels. Price ranges vary dramatically by source: Solar panel costs range from \$0.19/watt for wholesale. Going solar is a major investment, and choosing the right solar panel company for the job can make or break the effectiveness of your solar system.
